PROFESSIONAL SUMMARY

Entry-level Full Stack JavaScript Developer with 18 months of intensive training in theoretical and hands-on technical environments including developing 7 projects through all phases of Software Development Life Cycle. Effective team member who communicates closely with the team while developing a project. Largest project resulted in Social Media App which allow users to create profiles, share posts and photos, interact with other users through likes and comments, add/remove friends search users and forgot password.

ACADEMIC PROJECTS (2022 - 2023)

Social Media App:

The application has core features such as user creation profile, posting/delete and sharing content (text, photos, videos), commenting, like/unlike, add/remove friends, search users, forgot password and user discovery. Manage server-side operations such as data storage, authentication, and API routing

Technologies: React, JavaScript, REST APIs, Hooks, Redux, React Redux, Routing, HTTP.

Restaurant Management App:

A mobile application to help restaurant owners manage their food.

The owners must sign up for a new account. Every time they login in successfully, the application will display three tabs: 1. List of Foods(add/edit/delete/view a food and a live search), 2. Daily Notes(add/view a note), 3. Personal profile(view/edit profile).

Technologies: React, React Native, JavaScript, REST APIs, Hooks, State Management, Routing, Axios.

Goals Tracker App:

A software application that allows users to track and manage their personal or professional goals. Key features include:

A user-friendly interface for goal creation and tracking

The ability to set and track progress towards multiple goals

A dashboard to view the status of all goals

Option to set due dates

Secure authentication and authorization

Technologies: Angular, JavaScript, REST APIs, Hooks, State Management, HTTP.

CORE COMPETENCIES

NodeJS, SQL, MongoDB, React, Angular

ADDITIONAL SKILLS

Problem Solving, Adaptability, Collaborative Teamwork, Time Management Skills, Creativity

CERTIFICATIONS

Microsoft Azure Fundamentals
